

The entrance Since 1963

Campsite entrance

The entrance consists of a simple sign with the word 'Campsite,' and underneath, a sign that says 'De Kleine Wolf.' Over the years, this entrance has undergone several changes.

1963

1985

The driveway

The campsite is further expanded with a general parking area on the left side of the driveway and a grassy field on the right side.

1995
A warm welcome

The entrance becomes even more inviting and atmospheric with the addition of welcome signs and a beautifully landscaped garden.

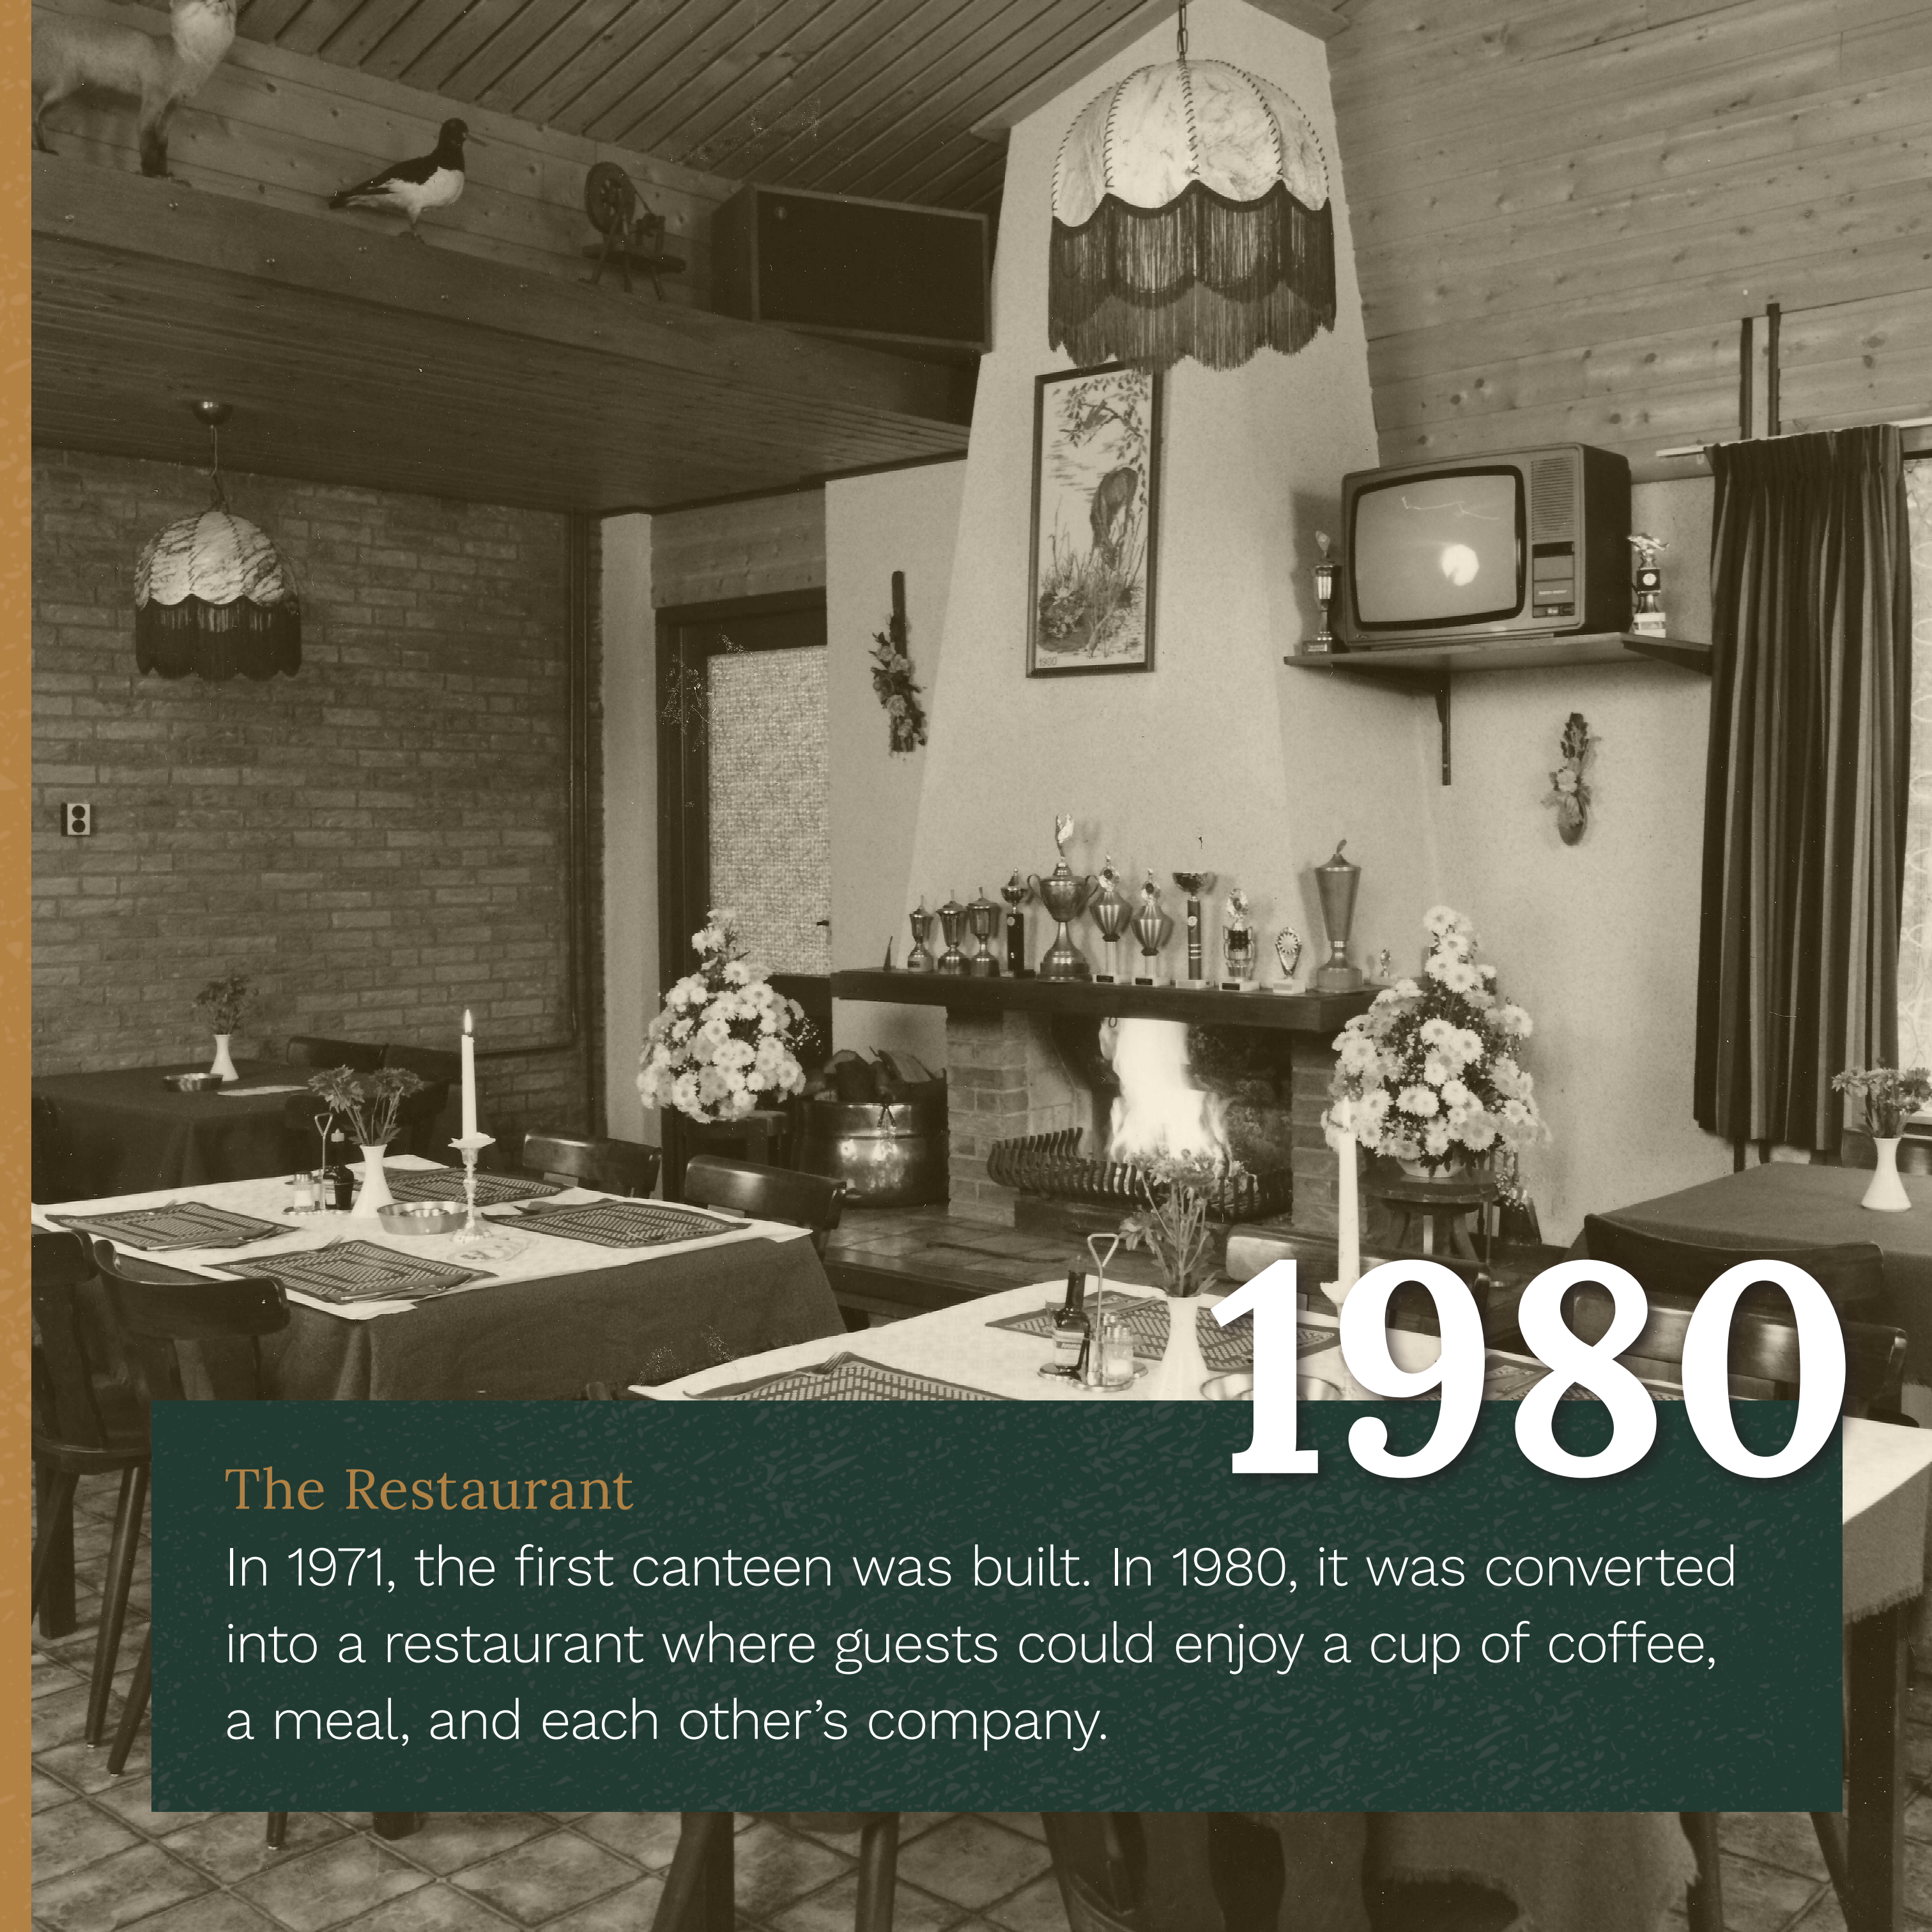

Did you know that... the first reception building was located between the old entrance and exit, standing between the avenue of trees? This building is currently removed.

2018

Food & Beverages Since 1971

The Restaurant

In 1971, the first canteen was built. In 1980, it was converted into a restaurant where guests could enjoy a cup of coffee, a meal, and each other's company.

1980

1980

Construction of the large hall

Many fun parties and celebrations take place here. Today, this space is our cozy pancake restaurant.

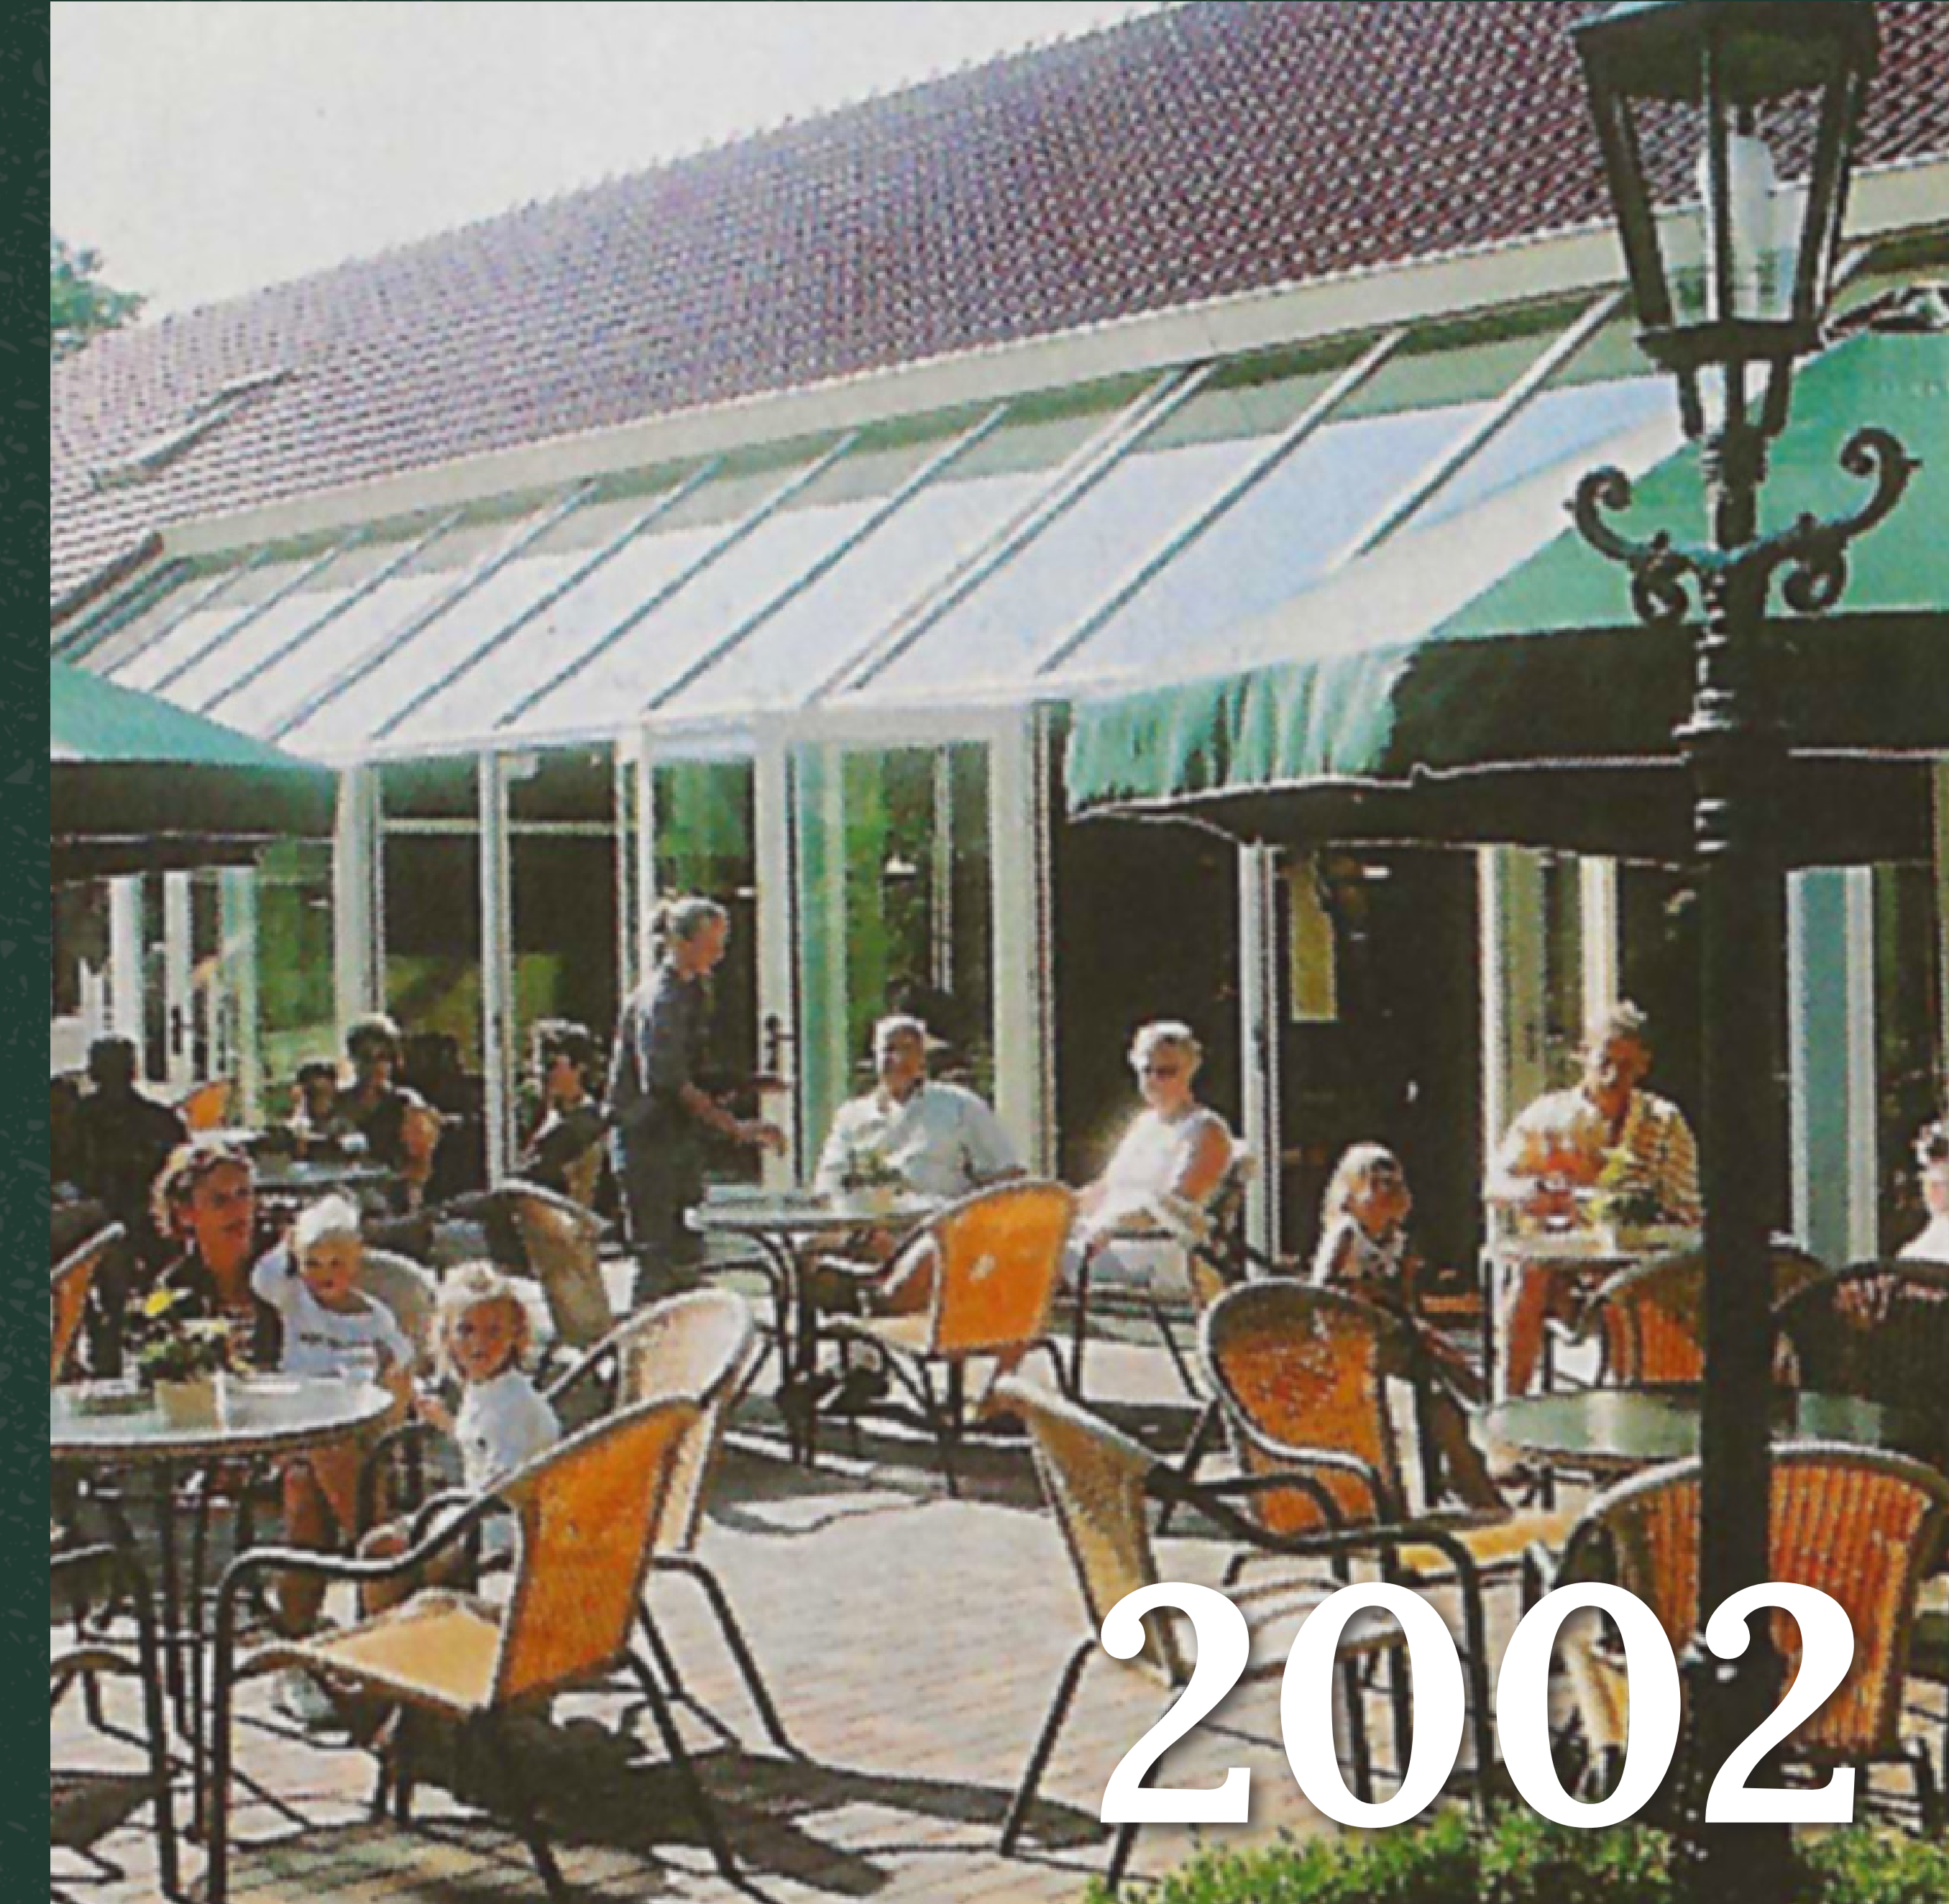

1995

The terrace

Here, on pleasant days, guests can enjoy a snack and a drink while enjoying being outside.

Did you know that... the different restaurants changed many times over the years? In 2016, the restaurant was expanded with an indoor play paradise, creating even more opportunities for a fun-filled day even outside the camping season.

2002

The reception Since 1971

1971

The reception

The reception is located in a unique spot: it's housed in the barn of an old farmhouse, where cows once stood. A nostalgic start to a warm welcome.

1988 The first reception

A reception building was constructed at the entrance. After several renovations, it can no longer be found on the premises.

1999 A larger reception

The reception building is expanded to create more workspaces and a larger storage area. In 2012, a second renovation follows.

Did you know... the reception building has been renovated three times since 1988, and the reception is now located in an entirely new building?

1988

Outdoor pool Since 1971

The outdoor pool

The outdoor pool consists of two separate pools, surrounded by a tall fence and a spacious sunbathing lawn where guests can fully relax. There are also several camping pitches located around the pool area.

1971

1999 Water attractions

The outdoor pool is expanded with various play features, and the large pool gets a family slide. The outdoor pools are heated using 25 solar collectors.

2007 Slides

The large outdoor pool is given a fresh new look, featuring two spectacular slides.

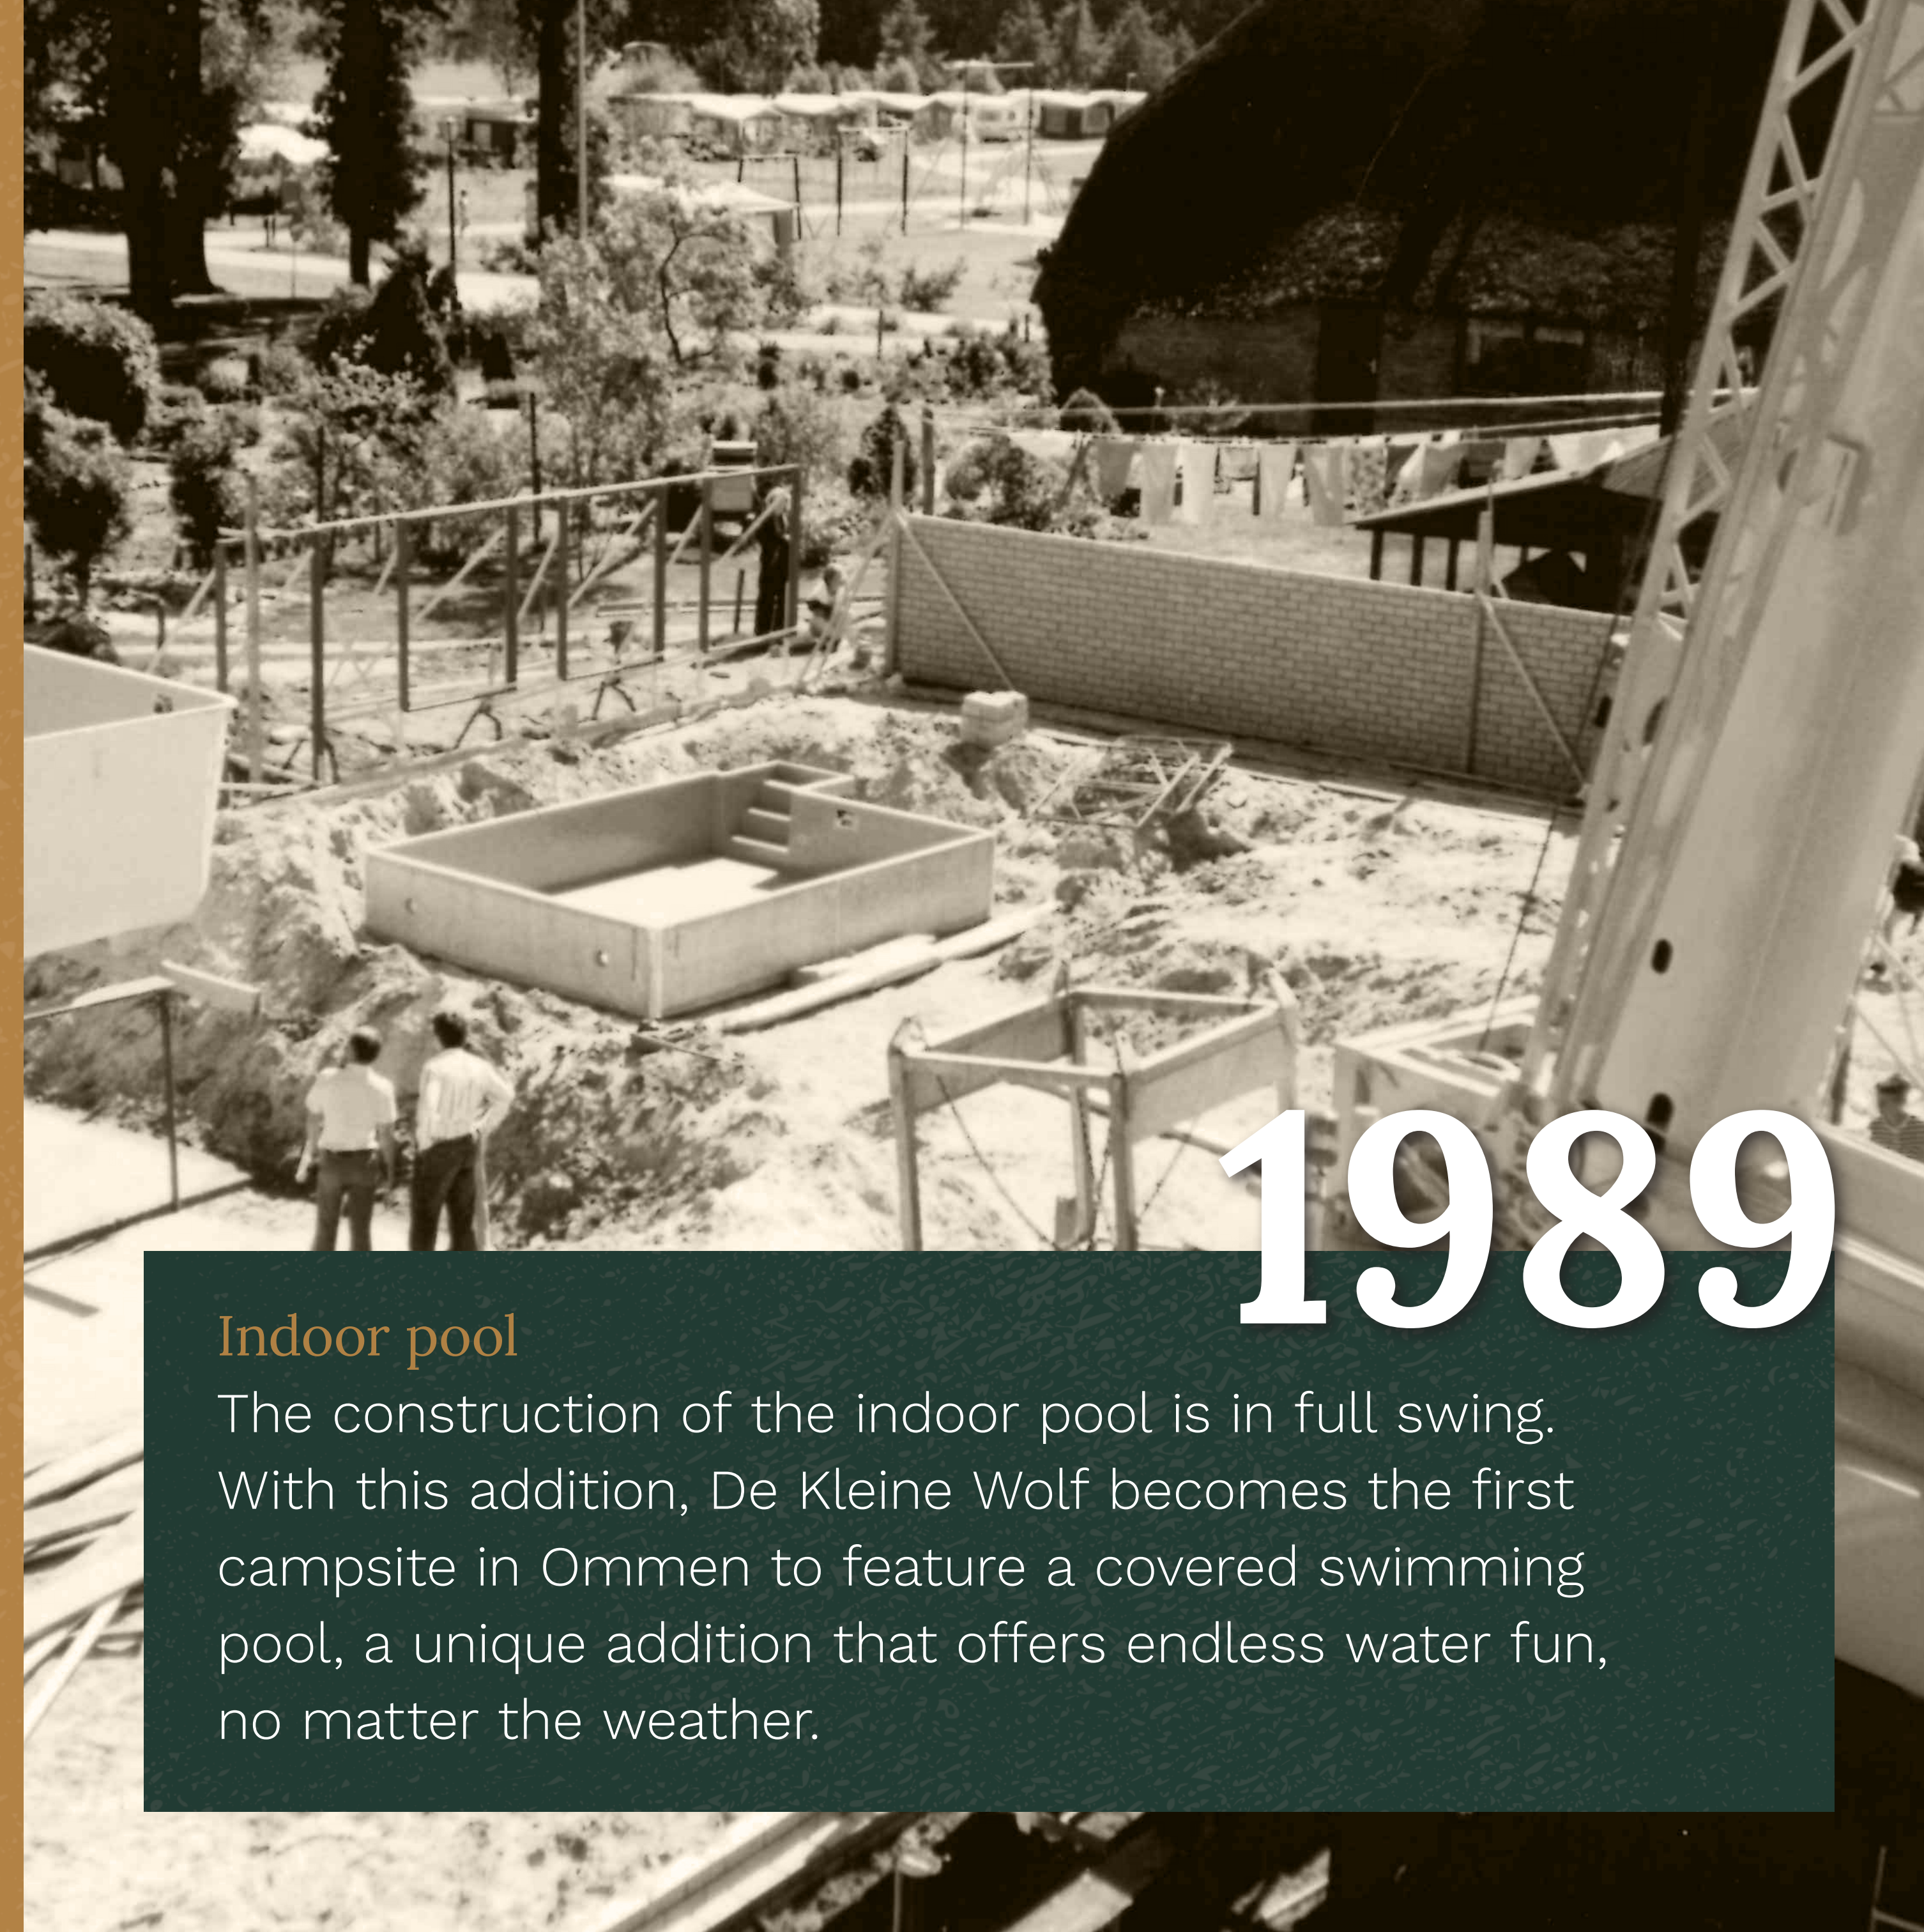

Did you know... in 2005, an indoor pool was built next to the outdoor pools? The old indoor pool was transformed into the Krea-Club, and in 2016, it became the indoor play paradise.

2018

Indoor pool Since 1989

Indoor pool

The construction of the indoor pool is in full swing. With this addition, De Kleine Wolf becomes the first campsite in Ommen to feature a covered swimming pool, a unique addition that offers endless water fun, no matter the weather.

1989

1989 Indoor pool construction

Luuk Kat is helping with the construction of the first indoor pool, while our guests watch with curiosity.

1990 The indoor pool is finished

The indoor pool is finished. This is what the first indoor pool looks like. In 2005, the pool is transformed into the Krea-Club, where children can do crafts every morning.

Did you know... the indoor play paradise now stands where the very first indoor pool was once built? A place that has been filled with fun and laughter for many years.

2005

Sanitary facilities Since 1995

Sanitary facilities

Good sanitation is the foundation of a great camping experience. The first sanitary building was constructed near the Fazant camping field. This building was fully renovated in 2016.

1995

1997 Sanitary facilities at the Specht

The sanitary building near the Specht camping field was built in 1977. It was renovated in 2017.

2000 Sanitary facilities at the Koolmees

The sanitary building near the Koolmees camping field was built in 2000. It was renovated in 2018.

Did you know that... in 2020, the first 20 camping pitches with private sanitary facilities were introduced on the Paardenwei, Koolmees, Ooievaar, and Fazant fields?
